Sir,

Revision of pay of menial establishment of the Nanjangud Town Municipality

I have the honour to forward herewith, a report No H C 22/46 7 dated 26th August 1946 received from the President, Town Municipal Council, Nanjangud together with a proposion statement on the above subject and to state as follows -

As may be seen from the proposition statement enclosed, the ~~second~~ menial establishments proposed for revision include besides office, Octroi, Mohatarfa, Conservancy, Library, Cattle Pound, Toll and the Slaughter house establishments Some of these establishments were sanctioned so far back as 1927 - the period of sanction of other establishments varying from 1932 to 1944 The slaughter house establishment was made only recently in G O No L 275-6/M1 -2-45-2 dated 6-7-1946 The total cost of all these establishments amount to Rs, 3,283 per year or 274 per month After revision, the total cost would be Rs 3,930 per year or 328 per month The additional cost involved on account of revision would be Rs 648 per year or 54 per month

The question of revision was being urged by the menial servants from some time past and even in 1944, the Municipal Council had decided to increase the pay by Rs 2/- uniformally (vide copy of resolution dated 25-12-1944) The matter again having been pressed the attention of the Council, have resolved to give effect to the resolution passed in 1944, in their meeting held on 23-8-46, the cost being met out of the closing balance for 46 47 A copy

of resolution dated 23-6-44 is enclosed It is the intention of the Council to give effect to the increase retrospectively from 23-6-1944

The need for revision is obvious I request therefore, that Government may be kindly moved to accord sanction to the proposal of the council retrospectively

GOVERNMENT OF MYSORE

Sir,

Subject - Revision of the scale of pay of the menial Establishment of the Nanjangud Municipality

Adverting to your letter No L 5259 dated 31st October 46 calling for certain particulars and a fresh Resolution on the above subject, I have the honour to forward herewith, a fresh resolution of the council dated 29-11-1946 received with the file of correspondence ending with the Nanjangud Municipal President's Report No M C 22/46-47 dated nil (received on 8-2-1947) as called for

According to the fresh resolution the proposed revision of scale is to be given effect to from 1-7-1947 by making provision therefor in the Budget of the year 1947-48 As regards the 2nd point as to whether the time is opportune for rising the question etc , the attention of the council had again been drawn to this aspect of the matter The President says that the points raised by the Government in their letter under advertence were considered by the council before the above resolution was passed The fact that revision is suggested to be given effect to from next year instead of from 25-12-46 as originally proposed is apparently the result of this consideration The question of

question of improving the financial position of the Municipali ~~xxxxx~~ has also been engaging the attention of the council and suggestions have already been made in this direction such as th levy of octroi, on certain additional dutiable articles and the levy of transfer duty under sec 61 of Mysore Town Municipal Act The latter proposal has been recommended also already in this office letter No D3 1534/46-47 dated 8-2-1947

Besides, the extra cost involved is not much being only Rs 54 per month or 648 per year which the Municipality can bear wi out prejudice to its nominal activities'

I request in these circumstances, that Government may be moved to accord sanction to the Resolution of the council to t revision of the scale of pay of the menial staff by a uniform increase of Rs 2 each per month as recommended already with eff from 1-7-1947

I have the honour to be,
sir,
